# Cake Serving Guide

## ROUND CAKES

## SQUARE CAKES

\*A typical wedding cake slice is 1" x 2" x 4".

\*Combinations and serving sizes will vary based on the baker and venue.

## Cake Cutting Guide

**6 inch - 10 slices**  
Divide cake in half, then cut each half into 5 pieces.

**8 inch- 16 slices**  
Divide cake into quarters, then cut each quarter into 4 slices.

**9 inch- 24 slices**  
Divide cake into quarters, then cut each quarter into 6 slices.

**10 inches- 38 slices**  
Use a small plate as a guide to cut a 6 inch round from the center of the cake. Divide the cake into quarters, then cut 7 slices from each quarter. Once the outside is gone, cut 10 pieces from the center.

**1/2 Sheet - 48 slices**  
Divide cake into 8 rows then cut each row into 6 slices.
